Lindfield renews Fairtrade credentials

Fairtrade Lindfield was re-accredited as a Fairtrade Community this year, after attaining original accreditation in 2018.

Fairtrade Lindfield is part of Fairer World Lindfield's climate and environmental group, which has spent the past four years giving presentations and talks to community groups and primary schools about Fairtrade and why it's important to be aware of where our food comes from. The children are always very interested to know where bananas and chocolate come from and how climate change is affecting farmers in developing countries.

KEH hosts dramatic whodunnit

By Tom Oldbourne

Lindfield Dramatic Club is back in action at the beginning of November with another popular murder mystery.

The Mystery of Talbot Manor is set to be a very entertaining and creepy comedy thriller.

At King Edward Hall on Friday 1st and Saturday 2nd November, the performances begin at 7.30pm each night.

There will be an interval, during which a fish & chips supper will be served.

Tickets priced £19.50 can be bought at Caragon in the High Street (cash or cheque only) on or after 14th October, or online from Ticket Tailor, or scan the QR code.

As before, this production is being staged in conjunction with Cuckfield, Lindfield and Haywards Heath Rotary. The cast features old favourites as well as talented newcomers, so please make a note of the dates now, and book early. These murder mysteries are always very popular!
